# Talk About It

Look at  
the photos.

Name things you  
might see and  
do in summer.

## When it is Summer

When it is summer,  
it is summer for me.

It is summer in the house  
and it is summer by a tree.

When it is summer,  
it is summer for a bear.

It is summer in the woods.  
It is summer everywhere.

American Black Bear

In the summer, black bears in Missouri love to eat ripe berries and fruits.

# 1A

Prickly Pear Cactus

Missouri Glade

Missouri has glades which are areas that are like little hot and dry deserts. Glades have very little shade.
