

Bodies of Water

Use the organizer below to keep track of your research as you look at different bodies of water around Missouri and the world. Use another sheet of paper to draw your other 3 landforms. For each, **circle** if the body of water is **solid** or **liquid**.

Body of Water #1:

solid **liquid**

Found in: _____

Definition: _____

Body of Water #2:

solid **liquid**

Found in: _____

Definition: _____

Body of Water #3:

solid **liquid**

Found in: _____

Definition: _____
